Kickball

Classic &
Pancake Breakfast

Benefiting the Vail Valley Charitable Fund

**play kickball, eat with friends *and*
help support local kids in need of medical help**

Evans Chaffee Construction Group (ECCG) has chosen the Vail Valley Charitable Fund as the beneficiary of their 8th Annual ECCG Kickball Classic and Pancake Breakfast. While there were many deserving non profits that applied to be the beneficiary for this year's event (and the decision was extremely difficult), ECCG made their final decision based on the fact that the Valley needs help with the basics at this time, such as food and helping with medical bills. In addition to helping the VVCF, ECCG will also be running a food drive for the Salvation Army at this event to help increase the food bank's stock. The event will be held on Saturday, August 15, 2009 at the Eagle Vail Pavilion and surrounding fields.

All of the funds raised at this event will be designated to be used for the benefit of children in need of medical treatment within Eagle County. Evans Chaffee and VVCF hope to inspire this year's competing teams in this popular fundraiser by assigning each team the name of a child who is faced with medical issues. The team will learn about the child, his/her family, the child's illness, and the multiple factors involved in his/her care. The intention is to evoke spirited play, friendly competition, and an increased awareness of the important work that VVCF is doing within our community. Many of us know someone who has been helped by the VVCF in the past, and with times as tough as they are, there are even more families in need of this assistance right now. Let's band together to help out our neighbors and friends by raising funds and food.

The 8th Annual ECCG Kickball Classic & Pancake Breakfast

Following seven successful years, Evans Chaffee Construction Group is proud to announce the 8th Annual ECCG Kickball Classic & Pancake Breakfast taking place on Saturday, August 15th, to help raise funds for the Vail Valley Charitable Fund. This year there will be another double elimination kickball tournament, so you have all day to come and join us for a little friendly competition, some great food, and most importantly, fundraising for the Vail Valley Charitable Fund!

We are inviting organizations and individuals from around the Vail Valley to come support this cause by attending the pancake breakfast, organizing a team to play in the kickball tournament (professionals and amateurs welcome), coming by for lunch sponsored by LAFARGE, or becoming a sponsor for this event. This is a way for our entire community to come together, have a great time and support those in need!

About the Vail Valley Charitable Fund

The Vail Valley Charitable Fund (VVCF) is a 501 (c) (3) non profit organization whose mission is to provide assistance to individuals who live and/or work in Eagle County, and are in financial crisis due to a medical catastrophe. Since its creation in 1996, the VVCF has raised and distributed several million dollars to hundreds of our local individuals and families.

As you know, even the most responsible working adult can quickly become financially disabled if they are beset with an accident, illness, or medical catastrophe due to the high cost of living in our region, the scarcity of affordable health insurance, and rising medical costs. These issues are amplified in the economic environment in which we are currently living. Families who could once navigate the financial hardship of a medical crisis can no longer make ends meet.

The VVCF helps out in two ways. Through a comprehensive application process, the VVCF awards direct aid grants to people in need. Applications are reviewed and recipients are determined monthly by the VVCF Board of Directors. These one time grants range up to \$5,000 and may help an individual or family with medical or non medical necessities.

When an individual's financial need exceeds the maximum grant, the VVCF also partners, supports, and assists with fundraising events for the benefit of specific individuals with the help of that person's friends and associates. The funds that are raised are directed as a grant to the recipient.

Proceeds raised through the Evans Chaffee Kickball Classic will be restricted by the VVCF to assist families with young children suffering from acute and chronic illnesses. These families are at particular risk, as accessing treatment and providing ongoing care for young children impacts the earning potential and job stability of both parents. With a growing population of young families in Eagle County, the need for such assistance is increasing dramatically.

How can you Help?

Organize and sponsor a kickball team

Cost per team is \$350. Teams may consist of 8 to 12 people; at least 2 females are required to play. The team fee includes 10 t shirts and 12 breakfast tickets. If you would like to provide lunch for your team, you may purchase those tickets separately (you will need the energy, so please join us). The winning team will receive the coveted 'ECCG Kickball Classic Championship Trophy' for 2009, along with other prizes. The winning team will also be in the press release after the event, which will be sent to all local print and broadcast media. After signing up, a complete team package will be sent to you with rules, times, etc. within the first few weeks of August.

Don't delay – the team slots will go fast.

Donate money

Due to the tremendous success of the event over the past years, many will recognize your company support. What better way to spend your marketing dollars than to help a worthy cause such as the Vail Valley Charitable Fund, while still receiving name recognition at a popular event! (If donating items, please contact us for a list of items needed).

Sponsorship levels are as follows:

Donate materials to be used at the kickball tournament: We are in need of paper goods, bottled water or soda, food for the pancake breakfast, or anything that can be used for a raffle or silent auction.
